Ah, in a perfect world yes.

We may need to get Samantha Dravis to the table at some point. She is not going to like being a back bencher even though she has no role.

No worries! (I won't take notes on my phone and be old school.)

I'm asking about when Kelly is not there. I'll always be at the table when she isn't, but I'm asking if both of us should be there.

Where there is room, I think we should have someone from the Embassy at the table.

But, if at the table, do not have your cell phone out. This is a big pet peeve of the Administrator.

Hi Anna and Mark,

I'm listing myself as a back-bencher in the meetings where [REDACTED] is present. I'm wondering though, if I should seat myself at the table when there is room.
